Rule 711

Termination of Episodes

The APCO shall declare the termination of the appropriate episode whenever the concentration of an air contaminant which caused the declaration of such episode has been verified to be below the standards set forth in Rule 704 for the calling of such episode and the available scientific and meteorological data indicate that the concentration of such air contaminant will not immediately increase again so as to reach the standards set forth for such episode in Rule 704. The APCO shall immediately communicate the declaration of the termination of the episode in the manner provided in rule 705 for the declaration of episodes.
